Two years to the day that Hurricane Katrina washed away their home in Pass Christian, Mississippi, the Swanier family got the keys to their new Lowe's Katrina Cottage. This cottage couldn't have happened without the generous support of reader donations, volunteers, and our staffers who did everything from laying hardwood floors to installing beaded-board ceilings. With your continued help, we hope to build more cottages across the country where affordable housing is desperately needed.

You can help: Log onto cottagelivingbuilds.com and make a tax-deductible donation.

old Brink's Burger sign squeaking on its hinges in front of a little stone cottage” —p. 34
